Lester B. Pearson School Board

Date of Governing Board Approval
DECEMBER 21, 2023

# GOALS OF THE ANTI-BULLYING AND ANTI-VIOLENCE (ABAV) PLAN

- In compliance with the [Quebec Education Act](#) (QEA), the main purpose of the ABAV plan must be to prevent and stop all forms of bullying and violence targeting a student, a teacher or any other school staff member. This plan specifies the duties and responsibilities of the relevant parties of the school **community** and the school **partners** in achieving this.
- Outline the responsibilities of all parties towards the elimination of bullying and violence in the school community, including the responsibility of parents to promote a positive and respectful school climate inside and outside school.
- School boards must see to it that each of their schools provides a healthy and secure learning environment that allows every student to develop their full potential, free from any form of bullying or violence.
- School boards must also ensure a healthy and secure working environment for their staff, and the staff must participate in ensuring a safe and respectful working climate.
- The plan is designed to support the optimal conditions required to guarantee the fundamental right to dignity, equality, and integrity, while respecting the unique character of each individual.

## School Community Parties:

Students, Staff, School Administration, School Board, Governing Boards, & Parents.

## School Partners:

## Sexual Violence

- “The concept of sexual violence refers to any form of violence committed through sexual practices or by targeting sexuality, including sexual assault. # 1. ANALYSIS OF THE SITUATION

## Description of the findings that emerge from the situation analysis with respect to bullying and violence

Our continued focus is to create a safe, caring and inclusive environment within our school. Daily practices are based on Social and Emotional Learning. Teachers continue to alternate learning situations in order to respond to the different learning styles (visual, auditory, kinesthetic) and the short attention span. We continue to observe conflicts however, these are within the realm of child development. We observe an increase in challenging behaviours during longer, unstructured periods of time and transitions.

We are lacking Objective Data as our school does not participate in OSS (Our School Survey), which is only offered to Grade 4 and above.

## Priorities identified with respect to bullying and violence

- 2 full time Special Educational Technicians
- Full time Special Educational Technician: yoga and mindfulness session embedded in student schedules.
- Small groups or one on one social emotional intervention.
- Zones of regulation and Social Emotional Learning are being

taught systematically from K4 to Grade 2.

- Increased outdoor learning opportunities
- Continuity and cohesiveness between plans put in place during class time and daycare
- SEL games have been bought and are being played with students
- Use of Shared Language .
- Virtue Assemblies
- Structured outdoor play opportunities during recess
- Active supervision (staff wearing vests when outside).
- To collect data: school climate survey (grade 1 and 2) and chart
- Revamp the behavior slips
- Create a chart in which we compile violent and bullying behaviours. Miss Tanya and Miss Jenna are monitoring it.
- OSS (Our School Survey) for parents when available

## 2. PREVENTION MEASURES

Parents are valuable partners and it is important to work together when it comes to taking action to prevent and stop bullying and violence. It is together that we can find the solutions. This collaboration will enable us to continue to flourish and succeed in an atmosphere of mutual respect ([LBPSB Policy on Safe and Caring Schools](#)).

Measures encouraging parent(s)/guardian(s) collaboration in preventing and stopping bullying and violence and in creating a healthy and secure learning environment.

- The Code of Conduct and the ABAV Plan will be made available to parent(s)/guardian(s); it will be posted on the school website.

Other school-based measures, if necessary:

- Inform parents via email of the existence of the ABAV plan after approval from GB.
- Ongoing communication between principal and/or their designate and parents/guardians of children who are being bullied and those who are engaging in bullying behaviours will take place until the resolution of the situation.
- Periodic communication with students and their parent(s) /guardian(s) will take place to ensure that measures taken have been successful and the bullying has ceased

Outside organizations including but not limited to bus companies, coaches, & volunteers.

## 6. CONFIDENTIALITY

Reporting incidents of bullying or violence is the right thing to do. It allows everyone to obtain help and put an end to the situation. Reporting may cause discomfort in the person doing it, however, the school will take the necessary precautions to preserve confidentiality.

The measures to protect the confidentiality of any report or complaint concerning an act of bullying or violence are:

- Staff are reminded annually that every incident and the ensuing follow-up must be kept confidential.
- Communication with all parties will be discreet.
- All parties will be treated with respect, discretion and empathy.
- Details of applied disciplinary sanctions will be kept confidential as the law forbids that this information be communicated to other students or parents.

Other school-based measures, if necessary:

Parent collaboration and cooperation is critical to the success of any plan to eliminate bullying and violence in schools. It is important that parents work with the school and engage in constructive dialogue.

Ongoing communication between principal and/or their designate and parents/guardians of children who are being bullied and those who are engaging in bullying behaviours will take place until the resolution of the situation.

**The communications will respect the rules of confidentiality to ensure the safety and integrity of victims, witnesses and aggressors.**
